

Commitment... Professionalism... Excellence...

Lincoln Financial Advisors-Sagemark Consulting has received many honors over the years. Most recently, financial planners in our national planning network were named among the:

- 2006 Movers & Shakers (Financial Planning, January 2006)
- Top 100 Advisors (Barron's, April 24, 2006), and
- Top 100 Wealth Advisors (Robb Report - Worth, October 2005).

Now, the Financial Planning Association® has recognized us as the first – and currently only – FPA® Alliance firm, affirming that Lincoln

Financial Advisors is an organization committed to professionalism in financial planning, and supportive of the ongoing advancement of our advisors.

Our financial planners and producers – who are part of the new Lincoln Financial Group's affiliate advisors, combining the best of Lincoln and Jefferson Pilot – will now benefit from the ultimate choice and value for their practice needs.

The FPA Alliance recognition is additional assurance to our financial planners and clients that LFA is committed to the highest standards, and is just another reason that we are one of the premier financial planning firms in the industry.

The Financial Planning Association (FPA) owns the FPA Alliance mark and recognizes Lincoln Financial Advisors for its commitment to support FPA's primary aim and principles of professionalism.
